www.burg.biz/uk

BURG-WÄCHTER is Europe's largest manufacturer of quality safes for home and commercial applications. The comprehensive range meets the strict demands of the insurance industry, offering safes with recognised cash rating from £1,000 up to £100,000 and up to £1,000,000 in valuables.

BURG-WÄCHTER have over 100 years' experience in engineering quality safes and you can be assured that regardless of which safe is chosen, it has BURG-WÄCHTER's commitment to quality built-in.

BURG-WÄCHTER certified safes meeting the internationally recognised BS 14450 or EN 1143-1 standards are tested by VdS and certified by ECB.S to ensure they meet their stipulated insurance ratings. It is important to ensure safes are certified by a body recognised by the AiS (Association of Insurance Surveyors) to meet UK insurance requirements for the secure storage of cash and valuables.

BURG-WÄCHTER safes provide real certified security for your valuables, and this is why they are ***always the safe choice.***
