THE LUXURY RANGE

FROM BURTON SAFES

offers our clients the highest level of security, engineered to the most detailed level of precision. With over 20 years experience providing global security solutions, we have built a reputation around security, luxury, integrity and customer service.

We understand that each project is different which is why we build a security solution bespoke to each client.

Our luxury security solutions have been installed worldwide and our team of security experts will be happy to assist with your enquiry

Our safes are engineered, tested and certified in accordance with the European Certification Board Standard. They are also recognised by the Association of Insurance surveyors and offer our clients complete piece of mind that our focus is on security as well as luxury.

Our safes are recognised throughout the UK for overnight insurance ratings of cash, valuables and jewellery. This means that the Association of Insurance Surveyors will insure your safe in accordance to the level of test, or Grade, our safe has passed.
