

BS Secure Storage Security Containers

BURTONSAFES
THE SURE DEFENCE

Fire Protection | Biometric Option | 2 Year Warranty | Independently Tested

High security, mobile containers tested to EN1143-1 Grade III

- Security container tested and certified to EN1143-1, Grade III
- Standard container jacket encasing a fully certified Grade III strongroom on the inside
- Mobile units—Model MSC1 can be loaded directly onto a truck fitted with a hydraulic hook. Model MSC2 can be loaded with a forklift or a crane
- Ideal for the transportation of high value or sensitive goods such as cash, weapons, explosives and confidential data
- Could also be used as a mobile cash room or ATM room at temporary event sites
- Option to fit GPS tracking device and motion alarm sensors
- Biometric or electronic locking can be added to the strongroom doors
- Unique to Burton Safes in the UK market place
- Please note that a flat surface is required to ensure doors can open freely

Model	External (mm)	Internal (mm)	Volume (l)	Net weight (kg)	Total weight (kg)
MSC1	2940 x 2560 x 6320	2240 x 2200 x 5660	27,892	10,000	18,000
MSC2	2440 x 2445 x 2990	1950 x 2145 x 2530	10,582	4,500	10,000
