

SAFESCAN 40H

PORTABLE UV COUNTERFEIT DETECTOR

WITH UV DETECTION

Handy, compact and portable detection while you are on the road. The Safescan 40H is the ideal traveling companion.

The UV lamp verifies the UV features in banknotes, ID cards, credit cards and all other official documents. The build-in flashlight also allows you to check the watermark and security thread. Also ideal for use with the Safescan 20 permanent UV marker, for marking and checking all your business and private belongings.

- 4W UV lamp verifies the UV features in banknotes
- Powerful white LED flashlight for checking watermark and security strip
- Verifies credit cards, passports and other ID's
- Suitable for all currencies
- With wrist strap and handy foldable stand for desk use
