## MADE IN YORKSHIRE, UK

The luxury range from Burton Safes offer our clients the unique experience to custom design their own safe.

Our safes have been commissioned for some of the most discerning clients around the world with our executive team offering a personal and bespoke service. Each safe is managed through every stage of its development.

All our safes are independently tested and certified to offer the highest security levels and ideal secure storage for your jewellery, watches and other valuables.

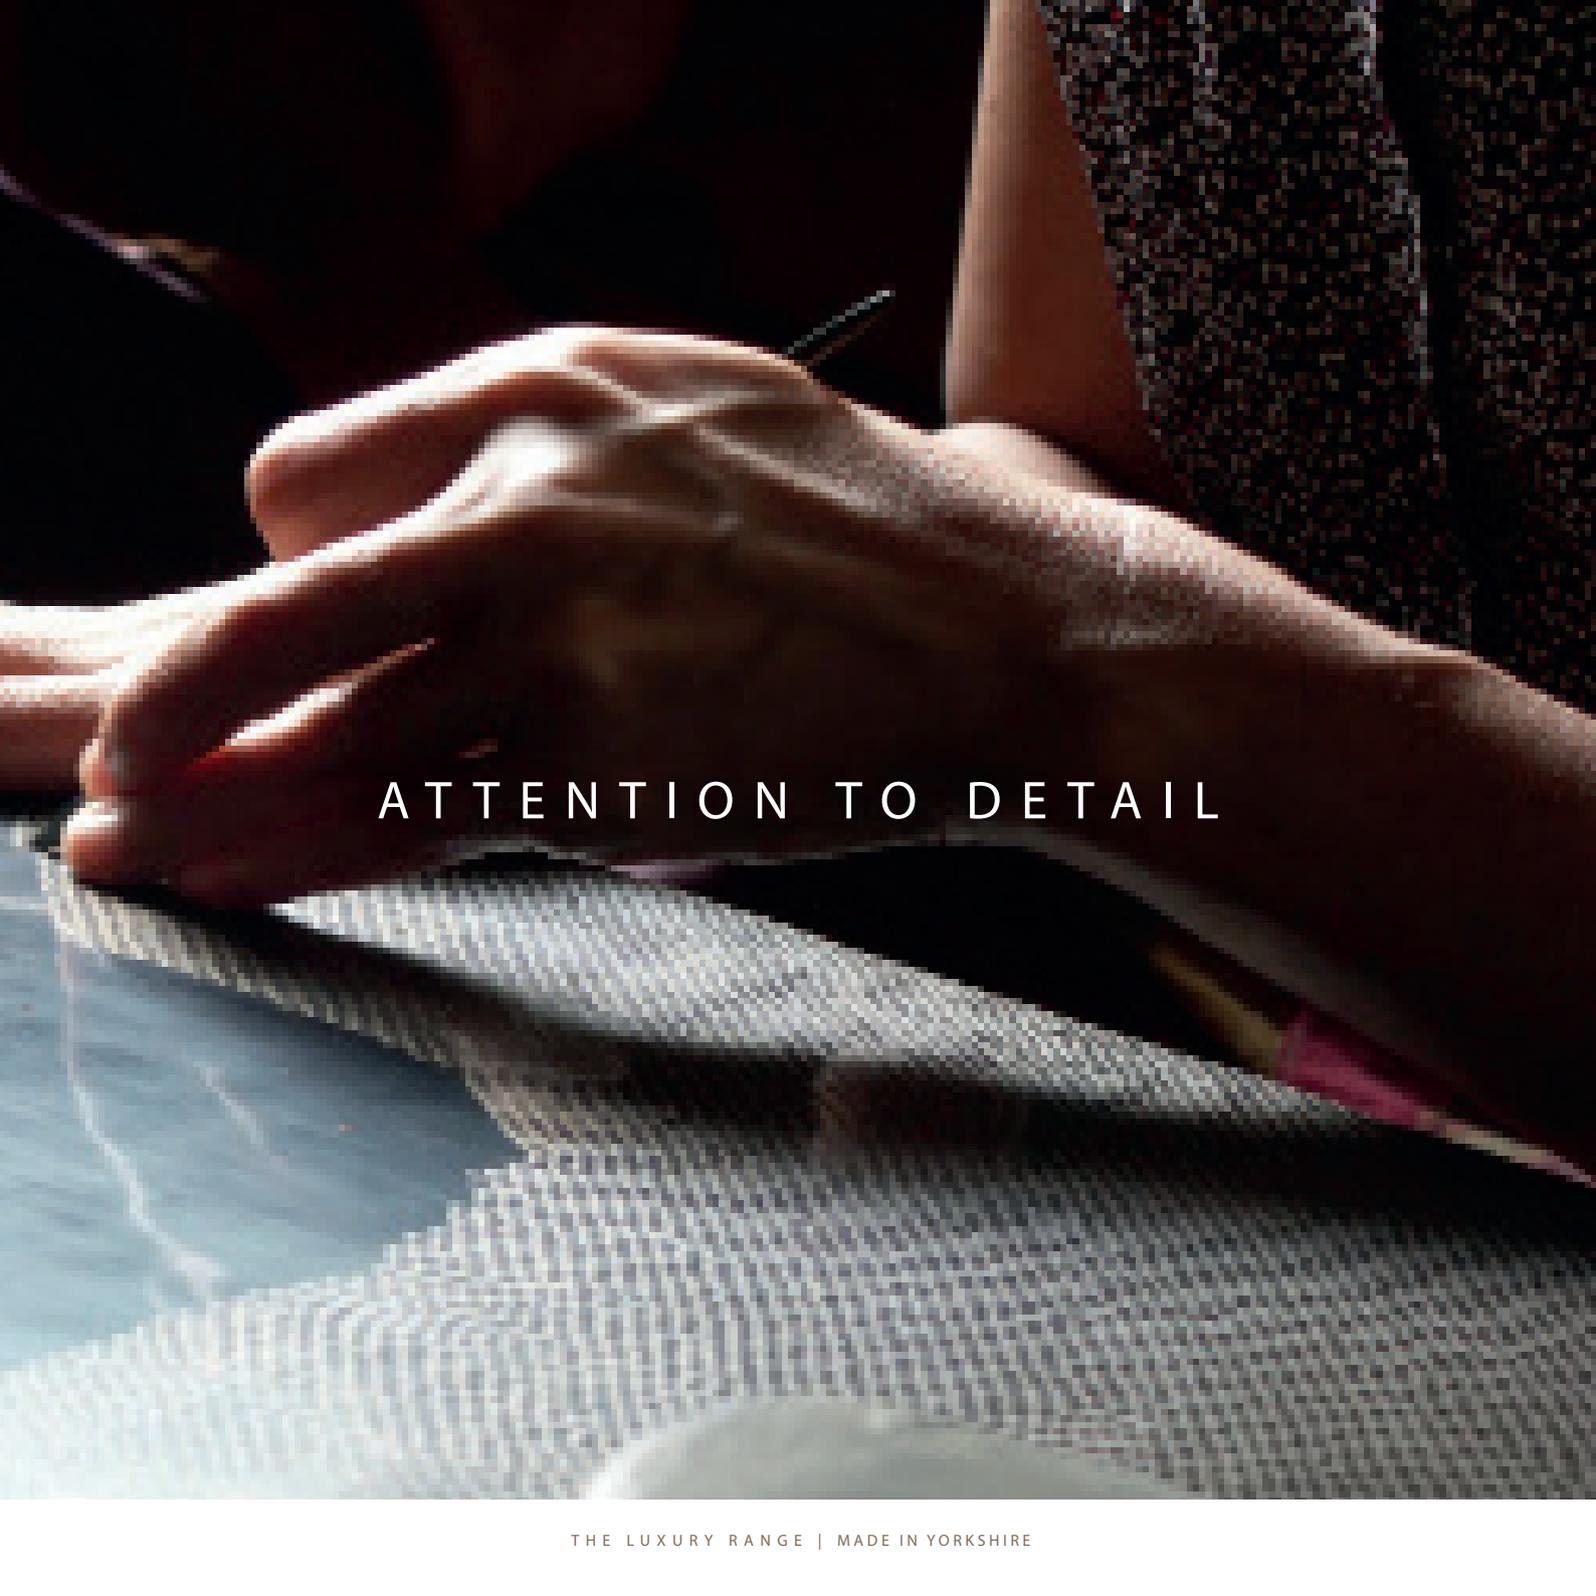

## HAND CRAFTED

FROM BURTON SAFES

All of our custom designed safes are finished to the highest standards in Yorkshire, UK.

Our team of expert craftsmen and women provide luxurious bespoke solutions to meet almost any requirement, including handmade jewellery drawers from solid wood, hand crafted upholstery using the finest suede and leather. All our leather detail is hand-stitched and the precision engineering ensures each safe leaves our workshops having the highest standard of finish and detail.
